Dr T.Chatterjee, IAS (Retd.)
Director,
Indian Institute of Public Administration
I.P.Estate, Ring Road, New Delhi-110002

Subject: Seminar on “Fire Safety in Hospitals” on 12-2-2018.

Dear Sir,

A seminar on ‘Fire Safety in Hospitals’ was organized by Academy of Hospital Administration, Regional Chapter, Jammu in association with Indian Institute of Public Administration, J&K Regional Branch, Jammu and ‘Energy & Fire Technology’ India Private Limited on 12-02-2018 in the Seminar Hall of the IIPA, Jammu.

The Seminar was attended by HoDs of Health and Medical Education Department, Medical Superintendents and other Senior Officers of the Government Hospitals of Jammu division, CEOs of Private Nursing Homes, life Members of AHA-Jammu, IIPA Jammu and other Senior functionaries of the Government Departments.

Dr. Abdul Rashid, Secretary to Government, Information Dept and Science and Technology and Labour Commissioner was the Chief Guest during the function who while speaking on the occasion laid stress on the ‘Fire Safety in the Hospitals’ in Government as well as the Private Sector and appealed to all concerned to have well documented fire manuals in their institutions, which should have all the Standard Operating Procedures (SOPs) for early detection of fire, its containment and training of the staff, so that the hazards of fire are minimized in the Hospitals and the staff is well trained for evacuation of the patients and their attendants during such incidents.

Dr. Yashpal Sharma, Registrar Academics, Government Medical College, Jammu delivered his key note address during the symposium highlighting various aspects of the Fire Safety in the Hospital.

Mr. Rohit Vishal, Co-Founder/ Director, Energy and Fire Technologies, India Private Limited discussed the conventional and new technologies of the Fire Safety in the Hospitals, which was followed by a presentation on innovative technologies in energy conservation.

M/s, Energy and Fire Technologies India Private Limited which is Gurgaon based company is working in Fire Safety in public places and reviving old/ used lead acid batteries to help in reducing pollution and reduced the cost of purchase of batteries also gave a live demonstration of automatic portable fire extinguishers.

Earlier Er J.B.S.Johar, Hony Secretary IIPA J&K Regional Branch formally welcomed the august gathering. The function was organised under the guidance of Dr Dr C.M.Seth.

Dr. Jasbir Singh, Ex- Director, Health Services Jammu delivered a vote of thanks to the Chief Guest, Dignitaries, Participants and Mr. Rohit Vishal, Co-Founder, Director Energy and Fire Technologies India Private limited for helping in conducting a seminar which is of immense importance in Jammu for benefit of the Hospital Administrators and hoped that it will help the Hospital Administrators in formulating SOPs/ plans for 'Fire Safety' in their respective Hospitals. Dr Gaurav Vaid conducted the all proceedings of the event.

All the leading local newspapers, electronic and print media and national papers have covered this event. Copies of some press cuttings are enclosed.

Yours Sincerely,

Er J.B.S.Johar
Hony Secretary
